Dear Fourth Graders,

It is the first day of summer vacation, and here I am, sending you information about summer reading! Your teachers have worked hard to make sure you have some choices and that these choices are ones you will enjoy.

Mrs. Corrigan, your fourth-grade humanities teacher, would like you to **choose one of the following novels by Roald Dahl:**

*The Magic Finger* (N)

*George's Marvelous Medicine* (P)

*The Twits* (S)

*Danny the Champion of the World* (T)

*The BFG* (U)

The letter next to the name of the book tells you its reading level. It's best to choose a book that you are comfortable with — not too easy and not too difficult. Most of all, choose a book that looks as if you might like it.

We look forward to welcoming you to the fourth grade in August. Until then, have a wonderful summer and happy reading!

Ms. Naik
